

BASCA

Cleaning equipment for tanks and containers

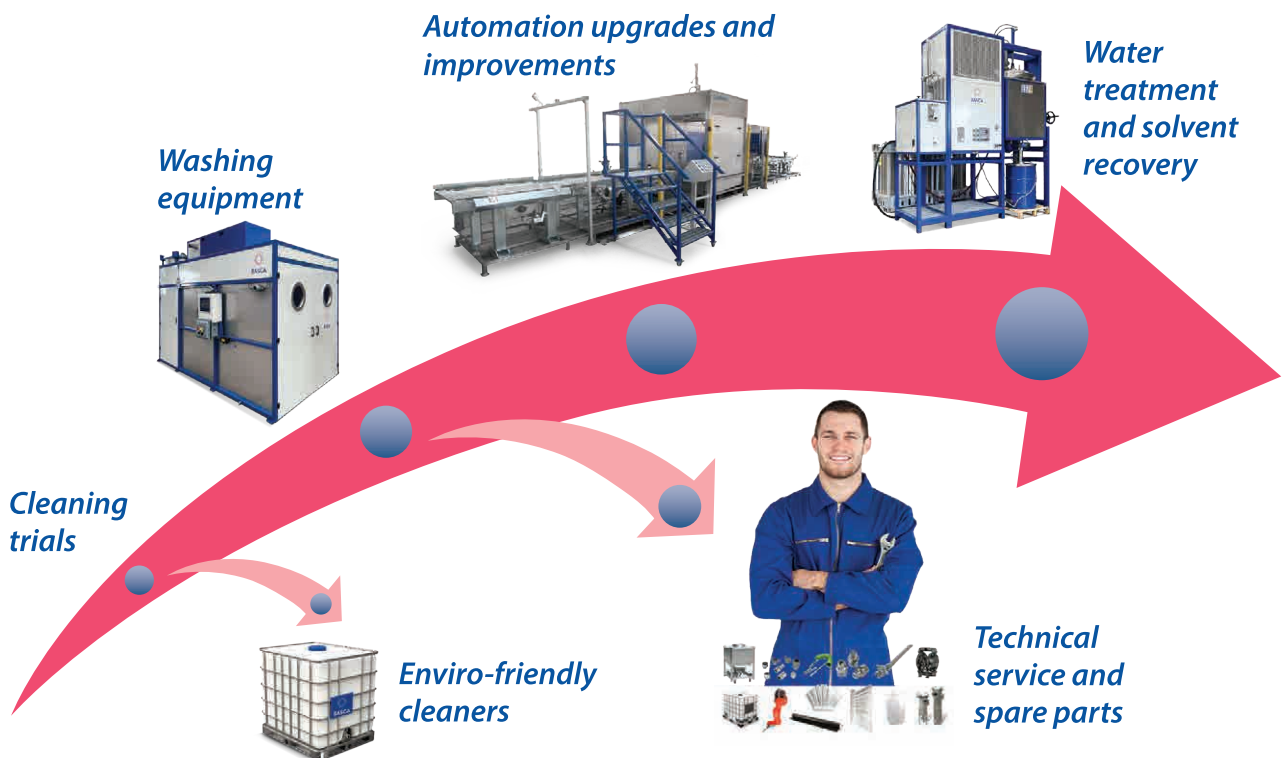

ABOUT US

Basca is an innovative company aiming to make your container and tank cleaning process enviro-friendly and more sustainable.

HOW CAN BASCA HELP YOU

Basca designs and manufactures cleaning equipment for tanks and industrial containers. Starting with dedicated cleaning trials and the installation of a Basca Washing Machine, you can further improve the sustainability of your cleaning process by integrating specialized accessories, effluent treatment systems, or low-VOC cleaners.

BASCA WASHING MACHINE

Basca machines can be configured using three different cleaning fluids:

Water

Enviro-Friendly Cleaners

Solvents

ACCESSORIES
